Cell phones and other personal electronic devices should be turned off at all times and be placed in student backpacks or lockers. If there is a need to use an electronic device or cell phone, students must obtain permission from their assigned teacher in order to use the device. At no time are electronic devices allowed in the lunchroom, restrooms, or locker rooms.

## Attendance

Students are not permitted to be absent from school without a valid excuse. Absences will be designated as excused or unexcused. Excused absences will be permitted for the following reasons:

Personal illness • Hospitalization • Emergency conditions as determined by the principal • Death in immediate family • Court subpoena • Legal quarantine • Absences approved by the principal prior approval (including military leave of parent or guardian)

Documentation supporting an excused absence must be submitted within three (3) days after the student returns to school or the absence will be deemed to be unexcused. Excessive unexcused absences may result in a loss of academic credit or referral of the matter to juvenile or other appropriate legal authorities for investigation. Only seven (7) days or partial days can be excused by parent/doctor notes each semester as a valid excused absence. Any absence over seven in a semester will be marked unexcused in the attendance register. If a student has significant medical diagnosis, parents can submit a Medical Condition Release Form and a physician's letter to the school documenting the medical condition and the necessity of additional absence days. Letters and release forms must be resubmitted each school year.
