Keith Moore  
Assistant Principal  
Bryon Chapman**

**Good evening! Following are several announcements pertaining to events that are important to our students.**

**Beginning Monday, September 14<sup>th</sup> we will begin meal pickups at our school. Pick up days will be Mondays for all blended and remote students from 10-11 am and Wednesdays from 9-9:30 for remote students. The times will be strictly followed and will be on a first come first serve basis. Service will end when we run out of food or time expires. The meal pickups will be in drive through format in the front of the school like we normally do. Students 18 and under can receive a meal, however they must be present in the car. Meals will not be served on holidays when schools are not in session.**

**Health Heroes will be here Sept. 23<sup>rd</sup> to administer flu vaccines to students at no charge. To take advantage of this program you must return the signed permission form. Remote students or anyone who needs a permission slip can pick up a permission slip this weekend from the box outside and return it in the meal pickup line on Monday.**

**Remote students can have school pictures made on Monday, September 14<sup>th</sup>, between 8:30 and noon in the high school gym.**

**There will be a representative from Wallace State here Wednesday September 16<sup>th</sup> to help seniors complete college applications. Senior remote learners may visit during 6<sup>th</sup> or 7<sup>th</sup> period.**

**Thank you and have a great weekend!**
